## Just Installed

Pictured being installed are Dee Clements' *Immigrants*. One of 10 sculptures that make up the Abe Besser Memorial designed by Atlanta Architectural Firm of Jova/Daniels/Busby. Located at the Marcus Jewish Community Center of Atlanta. The memorial will be dedicated on April 8th. Artwork & concept designed by Dee Clements & John Kinkade.

*SPRING IS IN THE AIR* in Colorado's City of Love and Art. The snow and ice have disappeared in the sculpture garden where cleanup is beginning. Bulbs peek through the earth as we search for the Leprechaun's pot of gold while installing new sculptures.

We are pleased to announce the following a new service to visitors to Loveland. **Transporter**, "The Ticket To Ride", is a relatively new company that can pick you up at DIA and handle all of your transportation needs as you visit foundries, galleries, museums and restaurants in Loveland. Their Web site for details is [TransporterLLC.com](http://TransporterLLC.com) and phone contact is: Rick Stermer, Owner, (970) 556-8227. Their reasonable rates, professional service and willingness to customize scheduling stops is a welcome addition to Loveland.

## Precast Offer

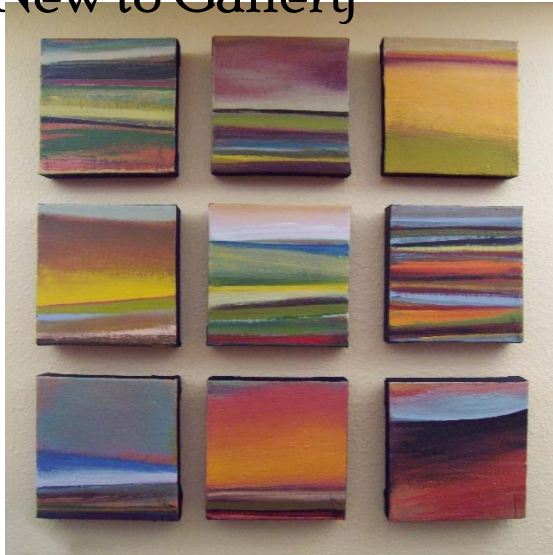

Carol Gold's studio has announced a precast offer on her recently completed sculpture, *Father and Son*.

The sculpture will have the elegant traditional brown patina that Carol is known for. It will be 8"H x 4"W x 3"D.

The initial retail price will be \$950. Any purchase prior to April 15th will be offered at the precast price of \$855.

Please see our website for more of her 2010 sculptures. [www.columbinegallery.com](http://www.columbinegallery.com)
